Name: _____

Cause and Consequence¹

Event or trend:

Decide which individuals, groups and social forces were involved, then consider to what extent they influenced the event or trend. Place an **X** inside the triangle to indicate the extent to which the event/trend was influenced by these three factors. The closer the X is to one of the three factors, the more you think that factor was influential.

Explanation: Why did you place the X where you did? What role did each of these factors play?
